# DAYSCHOOL

Develop the dog you want.

Alleviate your frustrations.

Exercise your dog's brain and body.

Length: 2+ months Min Age: 6 months Max age: none

## **GOALS:**

- **Give adult dogs skills that solve everyday problems** by teaching them to be **CALM** in the presence of their peers and humans.
- Retrain bad habits into good ones.
- Alleviating owner frustrations like jumping on guests, barking in the house or on leash, yanking them on walks, etc, etc.
- Give dog parents a way to exercise their dog's brain and body in a constructive manner while they are at work, so they can come home to a stress-free house. (Yay!!)

### **PROGRAM INCLUDES:**

- TRAINING for your Dog with a professional trainer.
  - 2 days of training & day-lodging each week (8-9 days per month) w/ daily chew toys & treats.
  - 1 activity per day (play time or walk) + 3 potty outtings
  - Skills taught include anything you want!
  - DISTRACTION WORK so the dog learns to behave in all environments.
  - Crate training, so the dog can learn to be calm when alone, no matter what chaos is going on.
- TRAINING for YOU
  - Private lessons throughout, so that you can continue the dog's learning at home. (Consistency is key!)

### **INCLUDED BONUSES:**

- Unlimited email and phone support for one year!
- Free admission to any class for practice
- Informational handouts
- Daily report cards

Total Cost per 2 Month Program: \$1600
