Why us?

- We only train 3-5 dogs a day, never more than one dog at a time (unless needed for distraction work)
- Our trainers have been schooled in multiple training methods from nationally renowned schools, seminars and trainers to give them a diverse knowledge base. This means we will find the right solution for you and your dog. We are not one trick ponies, and are excellent at our jobs. Both trainers also constantly update their knowledge base through educational materials, conferences, and seminars.
- Our trainers have collectively trained hundreds of Board'n Train dogs, which gives us a large amount of experience to pull from.
- Dogwoods Lodge is the highest rated dog facility in Iowa, due to it's safety protocols, cleanliness, amenities and staff. So, you can be sure your dog is well cared for during his stay.
- We are committed to helping you meet your goals. The program does not end when the dog goes home. We will help you transition the dog's skills into your home until you are confident you can handle any situation.

*** Success of the program will only happen if the owners follow the trainer's recommendations for their dog.*
