DAYSCHOOL

Develop the dog you want. Alleviate your frustrations. Exercise your dog's brain and body.

Length: 1 month | Min Age: 6 months | Max age: none

GOALS:

- **Give adult dogs skills that solve everyday problems** by teaching them to be **CALM** in the presence of their peers and humans.
- **Retrain bad habits into good ones.**
- **Alleviating owner frustrations** like jumping on guests, barking in the house or on leash, yanking them on walks, etc, etc.
- Give dog parents a way to **exercise** their dog's **brain and body** in a constructive manner while they are at work, so they can come home to a stress-free house. (Yay!!)

PROGRAM INCLUDES:

- **TRAINING for your Dog with a professional trainer.**
  - 2 days of training & day-lodging each week (8 days per month) w/ daily chew toys & treats.
  - 2 activities per day (play time or walk) + 3 potty outtings
  - Skills taught include anything you want!
  - **DISTRACTION WORK**, so the dog learns to behave in all environments.
  - Crate training, so the dog can learn to be **calm when alone**, no matter what chaos is going on.
- **TRAINING for YOU**
  - Private lessons at beginning and end, so that you can continue the dog's learning at home. (Consistency is key!)

INCLUDED BONUSES:

- **Unlimited email and phone support** for one year!
- **Free admission** to any class for one year for practice
- Informational handouts
- Daily report cards

Total Cost per 1 Month Program: $975
